Midnight Sun Season April 22-August 20

# Cross Gulf of Alaska land tour railbelt itinerary

- Typical length is seven days with overnights in Fairbanks, Denali National Park and Anchorage
- With Fairbanks being the first or last destination in the itinerary, we recommend adding additional days for clients

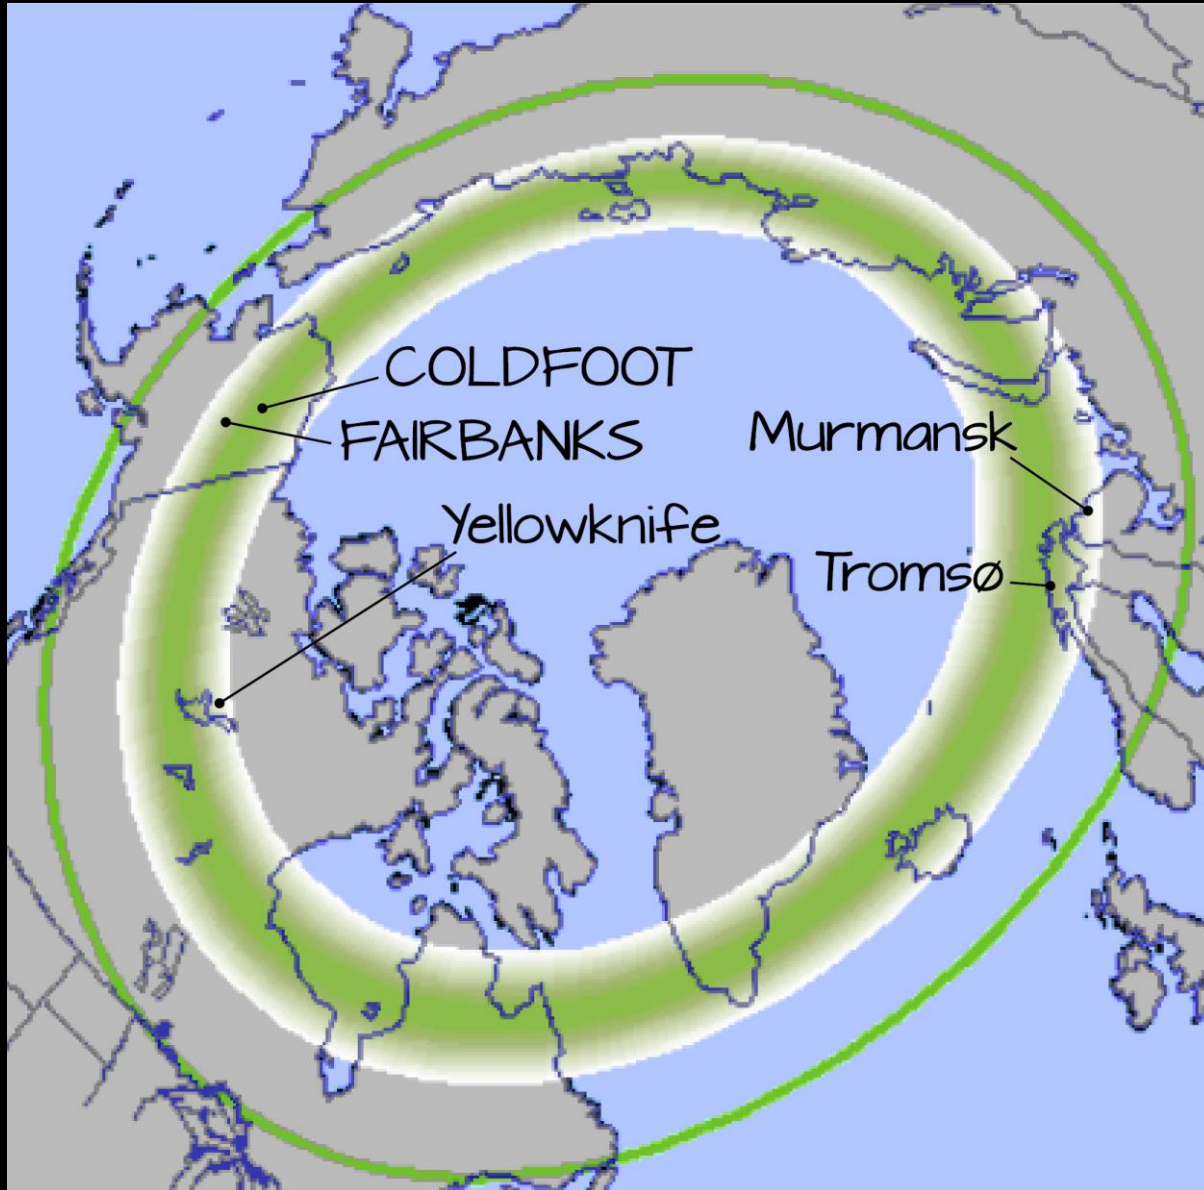

Aurora Season August 21 - April 21

Winter Season  
Mid-October to  
March

A wide-angle landscape photograph showing a dirt road in the foreground leading towards a vast mountain range. The mountains are layered, with the most prominent ones in the background covered in snow and partially obscured by a layer of white clouds. The sky is a clear, bright blue. The foreground features green grass and small shrubs.
